

## East Asian Society of Endourology and Asian Society of Endourology 2018 Congress (EASE/ASE 2018)

Kyoto International Conference Center, Room D

Time: April 17	Topic	Speaker	Moderator
09:00~09:05	Opening Remark	Saint S. Chen	
09:05~09:25	Minimizing Radiation Exposure in Transureteroscopic Lithotripsy	Takaaki Inoue	Hiroomi Kanayama Berry Fung
09:25~09:45	Ureteroscopic Managment of Upper Tract Urothelial Cancer	Michael Wong	
09:45~10:05	Disposable Flexible Ureteroscopy - The Experience in Asia	Ryoji Takazawa	
10:05~10:25	Ureteral Stenting - The New Design for Better Outcome	Raymond Ko	
10:25~10:35	Coffee Break		
10:35~10:55	Technical Evaluation of Robotic Surgery Including Ergonomics and Finger Power Applied on the Manipulator	Tadashi Matsuda	Mario Gyung Tak Sung Joel A. Aldana
10:55~11:15	Robotic Radical Cystectomy with Orthotopic Neobladder - Oncological Outcome	Jian Huang	
11:15~11:35	Laparoscopic Urological Surgery - Where do We Stand in 2017	Steven K. Huan	
11:35~11:55	Critical Appraisal of Laparoendoscopic Single Site Surgery	Gang Zhu	
11:55~12:15	Laparoscopic Radical Cystectomy and Robotic-Assisted , Laparoscopic Radical Cystectomy for Bladder Cancer	Yen-Chuan Ou	
12:15~13:30	Lunch		
13:30~13:50	Prostate Cancer in Asia	Tae Gyun Kwon	Eddie Chan
13:50~14:10	Current Status of Extracorporeal Shock Wave Lithotripsy in Asia	Thomas Y. Hsueh	
14:10~14:30	Percutaneous Nephrolithotomy - Mini/Micro Approach	Jeremy Teoh	
14:30~14:50	Difficult Cases in Endourology	Jean De la Rossette	
14:50~15:00	Coffee Break		
15:00~15:20	HIFU - Myth or Truth	Sudhir Rawal	Tomonori Habuchi Gao Xin
15:20~15:40	Robotic Surgery - Tips and Tricks in Urological Field	Ryoichi Shiroki	
15:40~16:00	Robotic Surgery - Changing Concept in Urological Malignancy Management	Nguyen Phuc Cam Hoang	
16:00~16:20	The Unique Character of Endourology in Asia	Rajeev Kumar	
16:20~16:40	Robotic Machine Development and Future Perspectives	Mario Gyung Tak Sung	
16:40~16:45	Closing Remark	Saint S. Chen / Allen W. Chiu
